

Twirling Contract for Dance/Twirl Students

I, _____ will abide by the rules and regulations of the Hamilton PAL Twirling Organization for the 2009-2010 twirling season. I must purchase a Dance Twirl Costume at the start of the season taking into consideration that I am purchasing this costume in October and it is required to fit me until June. I understand that if the costume does not fit there is no way that a new costume can be reorder after the original order has been placed. If the costume does not fit, I will not be able to compete in the competitions. The only earrings permitted on the floor are the competition earrings all other piercings must be removed! **It is mandatory to participate in parades and competitions - there will be NO exceptions.** My parents and I are required to find our own transportation to and from parades and competitions. If I am going to be absent from one of these events, my parents or I will promptly notify the director or instructor. If I withdraw from a competition after the team has already been entered, I (my parents) will be responsible for reimbursing PAL for the entry fee and door charge. If I miss the class prior to a parade or competition I will not be allowed to participate in the upcoming event (competition or parade). If I misbehave or I am disrespectful to my fellow twirlers, any parent or PAL staff during any class or event I will not be allowed to participate in that class or event. Repeated offenses could lead to my removal from the team. Habitual lateness to competitions and class may also lead to my removal from the team. **If I have four (4) absences or more I will be removed from the Dance Twirl Team. Missing a Parade will be included in one of these absences.** I understand that teamwork is the key to success and promise to give 100% effort at every practice, parade, competition or other performance. **I UNDERSTAND IT IS MANDATORY TO MAKE EVERY COMPETITION AND PARADE MY TEAM IS ENTERED INTO. IF I MISS A COMPETITION OR A PARADE, I UNDERSTAND THAT I MAY BE REMOVED FROM MY DANCE TWIRL TEAM.**
